# ESOL Certificate for School Leavers

**Our ESOL certificates are ideal if you are aged 16-18, have moved to the UK from another country and would like to continue your education in Britain and are interested in a career.**

Each course provides you with an opportunity to develop your language skills, interpersonal skills, digital skills, study skills, interview skills, and presentation skills and gain valuable work experience.

We will support you with taught sessions, group and individual projects, study-related workshops, enrichment activities, and tutorials. You will also have the opportunity to go on field trips.

- You will spend approximately 16 hours per week in College.
- You will have a Personal Tutor who will look after your needs and you will take part in an exciting programme of enrichment activities.

## Funding

- If you are 16 to 18 years old you won't have to pay tuition fees\*.

## Entry requirements

- You may join these courses if your language level is consolidated at Entry Level 3 and you are interested in the relevant career.

\*This is representative of the most common fees scenario, but actual fees can vary depending on a number of factors. Please contact us if you need more guidance.
