Part-time Course Guide
2024/25

bradfordcollege.ac.uk

Welcome

We're proud to be at the heart of the Bradford community, dedicated to helping adults like you achieve your personal and professional goals. Our courses are tailored to meet the needs of adults in our area, providing the skills and confidence you need to move forward.

Whether you're aiming to achieve Maths and English GCSEs, develop Digital Skills, or learn English as a second language through our ESOL courses, we have a course that's right for you. Additionally, we offer many part-time courses in areas like health and social care, arts and design, which are all made to fit around your work, family, and other commitments.

As a student at Bradford College, you'll get the support you need to improve your skills, change careers, or get ready for further education. No matter what your goals are, we are here to help you take the next step towards success.

- **Accessible Funding:**

We believe everyone should have access to education, which is why we offer funding to help with the cost of some courses.

- **Courses Across Bradford:**

We deliver our adult courses across a wide range of locations in the Bradford district. This ensures that learning is always within reach, no matter where you live.

- **Flexible Learning:**

Life is busy, and we understand that. That's why our courses are designed with flexibility in mind, offering classes at different times and locations—including evenings and weekends—so you can balance your studies with childcare, family, and work commitments.
