Hello!

Start your journey with Bradford College

At Bradford College, our mission is simple: **to transform the lives of every student who walks through our doors.**

Each year, thousands of students join us to explore their passion through education.

We want to help you build a better future through learning, by developing your talents, exploring your options and empowering you with lifelong skills.

During your time here, you'll have many opportunities – start the year at our Freshers' Fair, meet special guests like the BBC Glow Up Team, go on exciting trips, try new sports and hobbies through our enrichment programmes, be able to test your talents and skills by taking part in competitions and meet new friends.

At the end of the year, we celebrate all your achievements at our annual Star Awards with your family and friends.

You will be taught by experienced tutors who will support you throughout your journey here in outstanding new facilities and have the chance to take part in exciting work experience opportunities.

We have invested in new cutting-edge technology, immersive learning environments and exciting new facilities (see pages 8 and 9), so that you can thrive and prepare for your future career – whatever that might be.

This prospectus and our website will give you all the details and information you need to know.

Thank you for considering Bradford College and I look forward to welcoming you.

Support at every step

STUDENT SUPPORT

We believe it is important that every student's journey at Bradford College is enjoyable and that you feel supported. We offer lots of different support options and guidance to help you on your learning journey.

Academic Support

We can support you throughout your studies to help improve your professional skills for the future that are personalised to you.

Visit page 19 for more information.

Disability Support

Visit page 16 for more information.

Equality, Diversity and Inclusion

Bradford College is a diverse and inclusive college for all. We put equality, diversity and inclusion at the heart of what we do and challenge any forms of discrimination.

Faith and Belief

We have several rooms, called Unity Spaces, that are designed for quiet reflection, meditation and prayer and are available for everyone.

Mental Health and Wellbeing

We have our own Counselling Service who you can talk to confidentially about any topics or issues related or unrelated to your studies.

Scan to find out more.

Scan for more info about our Student and Support services:

FINANCIAL SUPPORT

We believe that everyone should have the right to education so we provide financial support to many groups of students, dependent on course and circumstances.

16-18 Bursary Meals

If you are 16-18 years old or a student with an Education Health and Care Plan (EHCP), you may get money for your meals at the College. If you're eligible, you will be entitled to a meal on each day you have a class on your timetable.

Childcare Costs

If you're 16-19 years old, you can apply for the Government's Care to Learn Scheme.

Need a helping hand with student finance?

16-19 Bursary / Learner Support Fund

If your household income is less than £48,000, you could be eligible for support with travel costs/bus pass, meals on the days you are in College and help with course-related costs such as uniform, stationery, course trips etc.

Some of the bursary may be paid in the form of a bus pass, vouchers or equipment instead of money.

You will need to make an online application for these funds and have evidence of your household income.

If you need help with funding advice, you can telephone **01274 088349** or email studentfunding@bradfordcollege.ac.uk or visit us:

Disability services

Our team assists students with learning difficulties, disabilities, medical conditions or other learning needs to help you achieve your academic and personal potential.

Our staff have a lot of knowledge and experience and will offer advice and support to anyone who refers to the service or wishes to know more about the support available.

Your support package will depend on your individual needs but can include:

- » Adapted materials in a format such as large print, braille or tactile
- » Assigned Access and Inclusion Advisor, Specialist Assessor or Lead Practitioner
- » Assistive Technology (loan of specific hardware, software and training)
- » British Sign Language Interpreter or Communication Support Worker
- » Classroom based support (e.g., Learning Support Assistant)
- » Exam Arrangements (e.g., extra time, reader, scribe etc)
- » Mentoring
- » Note-taking

Students with an Education Health and Care Plan

If you have an Education Health and Care Plan (EHCP), we will work with you to put together a personal support plan that will help you throughout your College journey.

Students without an EHCP but with Support Needs

If you don't have an EHCP you can make a referral to the service. Our team will assess your needs using your own experience of study, any supporting specialist evidence and their knowledge of the demands of your chosen course.

Need support? Scan the QR codes to learn more about our disability services.

Your voice matters

STUDENTS' UNION

Bradford College Students' Union (BCSU)* is led by students for students. We are here to make the lives of students better and we do this through capturing the Student Voice.

The Students' Union represents all Bradford College students and gives you access to advice and information, activities, events, volunteering and campaigns.

We want to hear your ideas, views and opinions on topics that matter to you as a student, so that we can help improve College life for everyone.

The services provided by the Student Union include;

- » Various enrichment activities and events
- » Support and training for course reps
- » Volunteering opportunities
- » Student clubs and societies to take part in

Bradford College STUDENTS' UNION

BCSU is associated with the National Union of Students (NUS), which is made up of **7 million students!**

BECOME A COURSE REP

If you are keen to learn new skills, are passionate about making positive changes to your course and want to improve the learning experience for everyone then you can volunteer to be a course representative.

You will gather feedback from your peers and share this at meetings. This is one of the ways we make sure the Student Voice is used to improve teaching and learning.

Are you ready to make a difference? Scan to learn more about our Students' Union.

*If you are 16+ you automatically become a member of the BCSU after enrolment.

Build a better tomorrow

Do you want to build a greener future? At Bradford College, we're committed to putting our planet first and you can get involved too.

Planet Earth Games

Bradford College recently won this year's Planet Earth Games – the biggest sustainability competition for the UK Further Education sector!

Students and staff members were encouraged to participate in lots of eco-friendly and sustainable challenges to earn points to win.

Student Sustainability Squad

If you have got big ideas to save the planet, let your voice be heard!

By joining the Student Sustainability Squad, you'll be the driving force behind making Bradford College greener. It's a chance to be a leader and gain valuable experience.

Tackling Climate Change

We're tackling climate change one step at a time.

We are making our College greener and saving more energy. We plan to connect two of our buildings, the David Hockney Building and the ATC Building, to an eco-friendly heating system that uses less electricity.

We're also making way for the new purpose-built Future Technologies Centre. The Centre will support the growth of technology and low-carbon skills capability within West Yorkshire.

T LEVELS

THE NEXT LEVEL QUALIFICATION

T Levels are two-year courses that combine classroom learning with real work-experience. They have been designed with employers so that you can learn the right skills for your future career or further study.

EQUIVALENT TO
3 A LEVELS

T Levels focus on vocational skills and are recognised by universities across the UK. This means that they are also worth the same UCAS points as three A Levels.

A 45 DAY
INDUSTRY PLACEMENT

Includes an in-depth industry placement where you will get valuable experience in the workplace and have an insight into the working world.

80% 20%
CLASSROOM WORKPLACE

You will spend 80% of your course in a classroom environment, gaining the academic skills employers look for. The other 20% will be in an industry setting where you will put those skills into action.

FOUNDATION T LEVELS

The Foundation T Level is a one-year course that prepares you for your chosen T Level.

It's ideal for students who need extra support due to grades, further needs or just more time to develop English and/or Maths skills.

Apprenticeships are a fantastic way for you to earn while you learn. An Apprenticeship allows you to work a real job with an employer and get paid, whilst studying your chosen course.

Bradford College has been offering Apprenticeships for over thirty years, working closely with employers within Bradford and the wider Leeds region.

Why choose an Apprenticeship?

- » As an apprentice you will be considered as an employed person. You will usually work at least 30 hours per week and come to study at College 1 day a week
- » You are entitled to be paid the national minimum wage (£6.40 an hour) – some employers may even offer more!
- » Anyone who is 16+ can do an Apprenticeship
- » You will have access to the top training facilities and gain hands-on experience

We offer a range of Apprenticeships in different sectors at **Level 2** and **Level 3** that include:

- » Construction
- » Dental
- » Early Years & Childcare
- » Engineering
- » Healthcare
- » Motor Vehicle
- » Professional Services

“BRADFORD COLLEGE’S BUSINESS COURSE WAS THE PERFECT FIT FOR MY AMBITIONS.”

“I’ve learned so much on my course such as time-management by working on assignment deadlines, working as a team and real-world skills that can be applied to everyday life, like finance. The tutors put so much effort into our work too and they take the time to give me feedback that I can work on to improve myself.

After I complete my course, I want to go to university to do business management or go on to an Apprenticeship in accounting.”

"I STARTED MY JOURNEY AT BRADFORD COLLEGE AS I HAVE A LOVE FOR CONSTRUCTION. THE T LEVEL COURSE WAS THE BEST FIT FOR ME, AS IT INCLUDED EVERYTHING I WANTED TO LEARN."

"The College stood out to me as you get lots of opportunities to go on trips and meet employers, access to amazing facilities and you get to take part in lots of extracurricular activities that the College offers. It really gives you the opportunity to have an all-round experience.

The tutors and other staff members are supportive too and the College is very accepting when it comes to students' needs. They have helped me find work placement as well!"

"The Software Development course stood out to me as it gave me the opportunity to learn a range of subjects I'm interested in, like social media and artificial intelligence.

The teaching was amazing, and the staff are incredibly kind and helpful. They are willing to listen to you about any problem you have and whenever I needed help, they were always on hand.

I feel much more confident in my skills in comparison to when I first started at the College. The course has helped me with my communication skills, and I feel much more confident talking to people, which was something I struggled with before."
