Course Summary

This University of Arts London Level 3 Fashion Design qualification provides an exciting contemporary course for students interested in studying fashion. The course is delivered through inspirational projects covering a very wide range of themes specialising in all visual and technical aspects of fashion.

The Diploma qualification will provide you with the skills, knowledge and understanding necessary to progress to degree level study and employment. It provides an opportunity for those who have an interest in fashion to explore, develop and test their creativity within a qualification structure which is stimulating and demanding and provides a supportive transition from general to more specialised study.

What You Will Learn

This course provides a challenging opportunity for those interested in fashion and

clothing design to test and develop their skills and understanding in a stimulating and demanding environment.

You will have the opportunity to explore fashion and clothing-based disciplines and experiences which may include design, pattern cutting, garment construction and fashion promotion. You will focus upon a broad range of skills and techniques within this fashion and clothing pathway.

At the end of each year you will have the opportunity to exhibit your garments and designs at our professional fashion show.
