Course Summary

If you have learning difficulties and/or disabilities and want to become more confident and develop skills, our study programmes have been designed to help you develop your skills in a number of different areas to support you in growing your skills, knowledge and independence to take part in life, learning and work activities. The Skills for Employment course offers school leavers with SEND or Education Health Care Plans next steps in their learning experience. The course is also suitable for those students without SEND, however who want to develop confidence at College in a more supportive environment.

What You Will Learn

Learning is focused on the importance of developing skills for employment and is a mixture of classroom based and practical activities within the community. Students will take part in a range of enterprise and fundraising activities, including the skills café project and seasonal fairs. Students will develop active citizenship and work skills through participation in social action projects with local community groups and our employer partners such as the Canal and River Trust and Bradford City Community

Foundation. Students will develop experience of work through employer visits and internal work placements within the college environment to get students ready for their next steps. Transition and progression are developed through a comprehensive transition tasters programme with Purple Patch Arts. Students may also experience vocational tasters within our wide ranging Entry 3 vocational programmes including hair and beauty, catering, childcare, construction, motor vehicle, horticulture, ICT and more (see our Entry level 3 vocational courses for more information). There are many fun opportunities for enrichment activities including a residential, theatre and bowling trips and outdoor adventure.

Modules

The course is based on a Programme of Study, which consists of Employability and Personal Development skills, English and maths, a tutorial programme, enrichment and experience of work. Learners will be supported to progress and may move onto **Pre-Internship Pathway**, Entry 3 or level 1 vocational courses, supported volunteering or other community activities.
