

Functional Skills: Maths

Subject Area	English & Maths
Course Type	Adult
Study Level	Entry Level 2
Delivery Mode	Part-time
Location	David Hockney Building
Duration	17 Weeks
Start Date	September 2024
Course Code	PA000249

Course Summary

This course aims to develop your knowledge of various mathematical concepts, including algebra, statistics, geometry, number and shapes. We can offer support at Entry Levels 1- 3, and Entry Level 1. The course takes place at the David Hockney Building. This course is free. Please ask for more information when applying.

What You Will Learn

The course will develop three key skills:

- Number (including fractions, decimals and percentages)
- Measures and metrics
- Handling Data (including charts and graphs)

Each class lasts for three hours to give you plenty of time to learn, understand and practice your Maths skills. Your attendance for 3 hours (Entry level 1-3) and 2 hours (level 1) each week is mandatory and you must complete additional work outside of class time.

Entry Requirements

You will be given an initial assessment to check your starting point and determine your suitability for this course.

Progression

Successful completion of this course can lead to progression to a higher-level Maths qualification, or any other course that will help you get the job you want, or support your personal development.
