Course Summary

If you've considered getting into teaching or currently working in a support role in an education environment and want to take the next steps in your career, make our Access to Higher Education - Education course your next step. This level 3 course acts as a perfect stepping stone to further study and higher education study on your journey to becoming a teacher.

What You Will Learn

Throughout the course, you will learn the key behaviours and responsibilities needed in the classroom. You will develop knowledge in language development, educational policy and change, classroom activities as well as a wide range of other modules.

Modules

- Introduction to Education Studies
- Introduction to Educational Theory and Practice

- Classroom Activities
- Digital Tools for Teachers
- Key Developments in Educational policy and change
- School Leadership
- English Language-First and second language development
- Computer short project
- Introduction to Environmental Science
- Introduction to Maths
- Computing Science
- Study skills

Progression

Students can progress internally onto the college's range of teaching training courses.

Completing an Access to HE Diploma in Education allows learners to progress on to various education-related degree programmes, and after graduation they can pursue a career in education, whether that be in academia, research or teaching.
