

Bricklayer

Subject Area	Construction
Course Type	Apprenticeships
Study Level	Level 2
Delivery Mode	Full-time
Location	Workplace
Duration	1 Academic Year
Start Date	September 2024
Course Code	PA000171

Course Summary

Apprenticeships give you the opportunity to learn and train in your chosen career as well as earning a regular pay packet. You will be given first-hand experience and learn the majority of the skills needed on the job, whilst also completing off-the-job training within college by day release.

This apprenticeship is for people who wish to become a bricklayer and work in the construction industry. Bricklayers build and repair structures, walls, chimneys, walkways and foundations using various types of blocks and brick. Work can range from a house extension to a major stadium project.

What You Will Learn

Typical tasks:

- Building and repairing walls, arches, chimney stacks and other structures
- Mixing and spreading mortar
- Working outside and at heights.

Knowledge:

- Brick and alternative construction techniques
- Buildings and Materials

Skills:

- Preparation of materials
- Masonry structures
- Radial and battered brickwork
- Feature and reinforced brickwork
- Building technology

Behaviours:

- Positive and mature attitude
- Quality focussed approach
- Effective communication
- Self Motivated

Entry Requirements

Level 2: GCSE Mathematics and English at Grade A*-C/9-4 or Entry 3 on the Literacy and Numeracy BKSBS screening.

Progression

Successful completion of this apprenticeship can lead to further study or employment in the Construction sector related to Brickwork.
