### Course Summary

---

This course allows you to study the world of business, giving you an opportunity to develop knowledge and technical skills in a practical learning environment. You will examine the roles and responsibilities of setting up a new business and its financial management. You will also develop key skills, such as analysis and review of key financial statements.

You will

explore different types of business ownership, investigate what businesses do and the language used in the business world. You will learn about the costs involved in business and how businesses make a profit and then plan for success. You will investigate trends and the current business environment and how this might impact on a business plan, before presenting your own model for a business start-up. You'll also learn about marketing and promotion of your business and how to develop your own brand.

This programme is specifically designed to develop the skills, experience, knowledge and behaviours to support progression onto our Level 3 T Level in Business Management and Administration.

## What You Will Learn

---

This course is a T Level Foundation Year Study Programme which consists of:

- A Vocational Business Award qualification mapped against National Technical Outcomes to replicate the skills required in Level 3 T level Business – Management and Administration and a bespoke employer set project.
- GCSE Mathematics and English Language
- Personal Development and Employability Skills
- A Tutorial Programme and Enrichment
- Work Experience

## Modules

---

Unit 1: Introduction to Business

Unit 2: Finance for Business

Unit 3: Enterprise in the Business World

Unit 4: Promoting a Brand

## Entry Requirements

---

Entry to this course requires 4 GCSEs at a minimum of Grade 4 or above including English and Maths. You will be required to attend an academic interview prior to being offered a place. English and/or Maths will be included in your timetable if you have not achieved a GCSE at grade 4 or above in these subjects when you start your course.

## Work Experience

---

You will complete 60 hours of work experience over the academic year. This will allow you to develop employability skills, behaviours, attitude and confidence that will be needed to prepare for T level industry placement at Level 3 and the world of work. You will also benefit from a weekly employability skills session and study a suite of bespoke work skills.

## Progression

---

Following the successful completion of the T level Foundation Business Study Programme, you will progress onto the T Level (Business) Management and Administration two- year course at Level 3. Alternatively, you may wish to progress onto an alternative Level 3 vocational programme, an apprenticeship, or employment.
