### Course Summary

---

This programme is a short course, delivered as part of a longer programme of a longer HNC or can be completed as a standalone module. It is delivered through blended learning which means a combination of face to face and online delivery sessions.

This unit focuses on developing communication skills and literacy, using both qualitative and quantitative data to showcase analysis, reasoning, and critical thinking. Students will engage in tasks that involve teamwork, planning, and problem-solving.

Upon successfully completing the unit, students will be able to showcase leadership skills within team dynamics. Reflective practice will enable them to assess both their own contributions and those of their peers.

### What You Will Learn

---

- IT professional skills
- Ethical and legal considerations
- Communication and teamwork in IT

## Progression

---

Each module is worth 15 credits. If you successfully complete one, two or three modules, you will receive a Certificate of Unit Credit (CoUC) upon completion of the individual units. If you finish 8 units, you will awarded a HNC. **You can progress onto other units, and then onto a HNC or HND.**
