Course Summary

Digital Skills for Beginners is a part time qualification offered at Entry Level 3 and Level 1. The courses will enable you to participate in digital and online activities safely in the workplace and other real life contexts.

Upon successful completion of the course, you will gain a qualification which is recognised and valued by employers.

A minimum of 95% attendance and punctuality is required from all students.

This qualification is free for anyone aged 19 or over (subject to eligibility criteria)

What You Will Learn

This course consists of the following units: Using devices and handling information, Creating and editing, Communicating, Transacting, Being safe and responsible online

Entry Requirements

There are no entry requirements. You will be required to take an initial assessment to assess your prior knowledge and digital skills. You will then be placed on the appropriate course level.

Your attendance for 4 hours each week is mandatory and you must complete additional work outside of class time.

To apply please call the Adult Learning Centre on 01274 088586

Progression

A digital skills qualification is demanded by many employers and can improve your employability prospects and life in general.

Following successful achievement, you can further develop your understanding and skills and progress onto digital qualifications at a higher level. It may also support you to progress into or within employment.
