Course Type	Adult
Study Level	Level 1
Delivery Mode	Part-time
Duration	1 Academic Year
Start Date	September 2025
Course Code	PA000475

Course Summary

If you're passionate about pistons, mad for mufflers and love a dump-valve gear change – then this is the perfect course for you. Take your first step to becoming a professional mechanic with our official City and Guilds Motor Vehicle courses. Whether you want to run your own business, work for a local garage or you have your sights set on F1 – we can give you the hands-on training, work experience and practical skills to get you on the road to success.

What You Will Learn

We'll show you how to perform all the essential task that would be expected of a professional mechanic. How to replace tyres, trims and exhausts and how to do routine tasks like oil changes, lamp replacements and puncture repairs. Once you have the basics down – we move onto diagnostics, how to tune and mod cars for efficiency and look towards the future with the option to specialise in hybrid and electric vehicles.

Entry Requirements

16-18:

Entry to this course requires GCSE English and Maths at grades 2.

19+:

No specific qualifications however you will need to have proficient knowledge in English and Maths.

Progression

Successful completion of this Level 1 course can lead onto a Level 2 or Level 3 course, or to an apprenticeship. With millions of pounds being poured into hybrid and electric vehicle technologies – there has never been a better time to train in Motor Vehicle at Bradford College.
