

## Data Protection Statement

We would like to assure all of the schools, partners, agencies and other organisations that we work with that we take the issue of data protection extremely seriously.

We have been working towards our compliance with the new General Data Protection Regulation (GDPR) and Data Protection Act 2018 for a number of months and are putting in place measures to ensure continual improvement and ongoing data protection compliance.

Please be assured that any information you share with us will be treated with the strictest confidentiality and steps taken to keep it safe and secure.

Our approach to data protection is set out in our Data Protection (GDPR) Policy which can be found along with our Privacy Notices and other data protection information on the Bradford College Data Protection web page.

Should you have any concerns or queries regarding data protection or wish to enter into a Data Sharing Agreement, please do not hesitate to contact our Data Protection Officer:-
