# Hello!

*Start your journey  
with Bradford College*

We understand that everyone is different, and we embrace that difference, here at the college, which is why we offer practical Higher Technical Qualifications, Higher Level Apprenticeships, degrees, and postgraduate study.

All our courses are designed with employers to give students the edge when starting their careers. We are proud of our successful partnerships with Bradford Bulls, Bradford City AFC, The Royal Shakespeare Company, NHS and many more.

We continually invest in our facilities, to make your learning experience as close to industry standards as possible. Over the last two years, Bradford College secured nearly **£32 million in funding**, which will create aspirational new facilities in the heart of Bradford. This includes our new **£17m Future Technologies Centre**, immersive learning spaces that feature VR technology.

A **£6.9 million refurbishment** of the five-storey Garden Mills building on Thornton Road will also enhance our health Science, Technology, Engineering, and Mathematics (STEM) facilities. Higher-level HNC/HND and degree students will use this state-of-the-art building from September 2024.

People return to us time and time again because of the uniqueness of our higher-level qualifications and our friendly and personalised higher-education setting.

We wish you luck with your next step and hope to be part of your onward journey.

**Chris Webb**  
PRINCIPAL & CHIEF EXECUTIVE OFFICER  
BRADFORD COLLEGE

# Why us?

**Bradford College offers courses that are recognised and valued by employers and professional bodies everywhere**

We offer flexible learning options with many of our courses running both full and part-time. While some courses are delivered online, others are onsite at one of our campuses, and some are a mix of both – known as blended learning.

We also offer HN Flex, these are bite-sized degree level modules which you can do over a period of time to build credits to gain a higher level qualification.

Our courses are all designed to help you get into work or to help you up the next rung of your career. Some of our courses offer professional body examination exemptions, such as having industry experience. Please contact our Admissions team for further information.

**A GOOD PROVIDER**

We are an Ofsted 'Good' provider.

**SILVER TEF AWARD**

We have been awarded the Silver TEF (Teaching Excellence Framework) quality standard rating.

Teaching Excellence Framework

**CITY OF CULTURE**

We are proud to be an education partner of **Bradford City of Culture 2025**. It will provide opportunities for our students to get hands-on experience through volunteering, attending events and raising the profile of the arts.

**INDUSTRY LINKS**

We work with leading organisations and employers both regionally and locally to deliver industry relevant courses such as Channel 4, Royal Shakespeare Company, the British Film Institute, Amazon Web Services and the NHS.

**BRADFORD 2025**  
UK City of Culture

**MULTI WINNER**

We are West Yorkshire Apprenticeship Provider of the Year in 2022 and 2023.

**ACADEMIC EXPERTS**

Our tutors and lecturers are or previously were practicing professionals in their respective fields, making them both academic experts and industry mentors.

**RANKED TOP THREE**

We rank in the top three higher education institutions for Ophthalmic Dispensing courses in England.\*

\*National Student Survey 2023.

# That's why!

# Our campuses and facilities

This is an exciting time to join Bradford College. Thanks to over **£32 million** of funding won over the last two years, we're **enhancing, refurbishing, and building** new aspirational facilities in the heart of Bradford, to help you learn in the best possible environment.

## DAVID HOCKNEY BUILDING

Named after artist and Bradford College alumnus, David Hockney, this campus is home to the majority of our further education courses for 16–18 year-olds and adults.

Here you will find our main library, refectory, Student Services, the Students' Union, Student Finance and Career Advisors.

## NEW! GARDEN MILLS

An innovative hub for all our higher-level qualifications in STEM (Science, Technology, Engineering and Mathematics), Allied Health and Digital. The £6.9 million refurbishment programme includes new digital IT labs, a clinical suite, Ophthalmic Dispensing suite and more!

## NEW! FUTURE TECHNOLOGIES CENTRE

The new £17 million home of modern automotive and digital engineering courses, such as electric/hybrid vehicles and advanced manufacturing.

The new hub will be vital in supporting the growth of technology and low-carbon skills in West Yorkshire. Opening 2025/2026.

## LISTER BUILDING

A Grade 2 listed property which was built to replicate a working textiles mill. Today this historic building houses Bradford School of Art, Margaret McMillan School of Education and the School of Health and Social Care.

We have a dedicated Common Room for our higher education students where you can make a cup of tea or coffee, heat up your food, and relax and unwind between classes.

## TRINITY GREEN CAMPUS

Just a five-minute walk from the main campus is our Trinity Green Campus, where higher-level engineering courses are taught. It is also the location for our Advanced Manufacturing Centre and sports and gym facilities, which are free to access for all Bradford College students.

## SUBJECT AREAS...

Fashion / Film and Media Production / Make-up with Special Effects / Music / Performance / Textiles

FIND OUT MORE

# ARTS

At Bradford School of Art, you will be provided with a broad education in the arts, covering both creative and technical skills.

As well as nurturing your talent and teaching you how to transform your ideas into works of art, we pay special focus on connecting you with the wider arts community and ensuring you build up a portfolio that helps you secure work in the future.

Our teaching facilities include textile and printmaking spaces, studios, an art gallery, performance spaces, the latest film and photography equipment, plus you get the support highly skilled technicians and tutors, to make the most of the equipment and facilities available.

### Did you know?

In recent years, School of Art students have supported on the sets of successful television productions such as **Peaky Blinders**, **Gunpowder**, **Girlfriends**, **The Syndicate** and **Ackley Bridge**.

## CITY OF CULTURE 2025

We played a fundamental role in the city's successful bid to be City of Culture in 2025, which is set to deliver over 1,000 performances and events rooted in the unique heritage and character of Bradford and it's people.

The aim is to boost the city's unique and growing creative and cultural sector by working closely with the region's creative industries, employers and arts organisations.

You will be right at the heart of it all.

## JOBS IN DEMAND

Graduates\* could go into jobs such as:

- Designer in textiles and related industries (£22k-£40k)
- Fashion buyer (£18k-£50k)
- Film editor (£18k-£45k)

- Live sound technician (£16k-£35k)
- Media Make-up artist (£31k-£66k)
- Musical theatre performer (variable)
- Secondary school art teacher (£30k-£47k)

\*National Careers Service

## TOP 10

Bradford has been named as one of the top 10 best cities in the UK for creatives. It has 436 creative jobs available, as well as 804 artistic events and festivals.\*

\*Adobe Express - The UK's Best Cities for Creatives Blog

## CAREERS AND EMPLOYABILITY

Careers are at the heart of all our courses. We have strong links with local, regional and national employers in the creative industries to provide our students with opportunities to learn from experts, go on work placements and showcase their work.

### Olivia's story

"Olivia Pentelow graduated in 2021 with a first-class honours degree in Performance. She starred in BBC drama, The Gallows Pole and also acted on Channel 4 school drama, Ackley Bridge and ITV drama, Ridley. Olivia recently starred in the production of a new play 'Wish You Weren't Here' in January 2024 at Sheffield Theatres.

Olivia is signed with United Agents, a London based talent agency which also represents Olivia Coleman, James Corden, Dawn French, Tom Hardy and Ricky Gervais."

## SUBJECT AREAS...

Cloud Computing / Cyber Security / Data Analytics

# COMPUTING AND DIGITAL

FIND OUT MORE

To say that we are living in the digital age would be an understatement. Digital technologies drive our entire world, and as an industry, computing continues to be extremely lucrative.

We offer a variety of computing specialisms including cloud computing, network infrastructure and cyber security just for starters.

Our higher-level computing qualifications are developed in real time; i.e. we constantly review and update our course content to be in line with trends in the industry, new technologies and employer demands.

We offer a fantastic enrichment programme with master classes delivered by visiting academics and industry partners, and 'Tech Talks' by computing experts. You will also get the opportunity to visit industry events such as the IPEXpo in Manchester, Tech Huddle and Leeds Digital Fair.

It's important that you get real world experience, that's why we have teamed up with industry partners to mentor you as you develop a "live project."

You will showcase your finished project at our annual Project Open Day and engage with the professional computing community.

# £36k

Those with a HNC / HND computing qualification can expect to earn an average annual salary of £36,000.\*

\*Lightcast

## INDUSTRY PARTNERSHIPS

You will benefit from partnerships with CISCO, Amazon Web Services Academy (AWS) and CompTIA.

Our computing courses are employer endorsed by **Future Transformation**, a Bradford-based social enterprise providing opportunities and experiences for those who want to enter the tech industry, or build their career in tech.

## JOBS IN DEMAND

Graduates could go into jobs such as:  
**Computer Support Specialist / Cyber Security Analyst / Information Security Engineer / IT Manager\***

\*Lightcast

## Harees' story

"I am currently employed as a SOC (Security Operations Centre) Analyst based in Leeds, working closely with a team of security professionals to protect our organisation from cyber threats and maintain the integrity of our systems and data. The teaching was comprehensive and up-to-date and played a crucial role in helping me secure this job. The technical skills and knowledge I gained during my studies have been directly applicable to my role as a SOC Analyst."

BSc (Hons) Networking Infrastructure and Security\*

\*This course has now been replaced with a HND in Computing

## SUBJECT AREAS...

Electrical Engineering / Manufacturing Engineering / Mechanical Engineering

FIND OUT MORE

# ENGINEERING

Inside the dynamic and innovative world of Engineering at Bradford College, our courses are designed to equip you with the knowledge, skills, and practical experience needed to thrive in the ever-evolving fields of the sector.

Whether you aspire to be an electronic engineer, work in mechanical or manufacturing engineering, our courses offer a pathway to success in these exciting industries.

# £41.2k

Salaries in engineering have increased by 8.7% in the past year with the annual median salary now at £42.1k equivalent to £20.25 /hr.\*

\*Salary information from Glassdoor

## OUR FACILITIES

Within our new advanced manufacturing centre, our new equipment will give you hands-on, real-world experience, such as:

- 3D metal printer
- 3D resin printer
- Brown and Sharpe coordinate measuring machine
- CNC Lathe Doosan S280

## INDUSTRY PARTNERSHIPS

We understand how important it is to have practical experience which is why we have forged partnerships with industry professionals to engage students in real-world projects. Through these collaborations, students gain invaluable insights and hands-on experience, preparing them for the challenges of the professional landscape.

Our industry partners include CPW, Don Whitley, Metalcraft Group, Bradford Council, BorgWarner and Teconnex Ltd.

## JOBS IN DEMAND

\*You could go into roles such as:

- Automation technician (£26k-£40k)
- Electrical design technician (£24k-£36k)
- Electrical/electronic engineering technician (£24k-£43k)
- Mechanical technician (£24k-£40k)

\*Salary information from Glassdoor

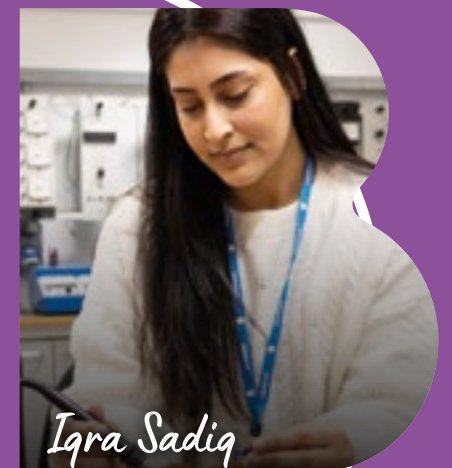

Where buildings come alive

## Iqra's story

"I chose the HNC because I wanted a stepping stone without jumping from college straight to university. I wanted a middle ground and think the HNC was great in providing that – it's like a foundation year of university. What I like about being a higher technical qualification student at Bradford College is that there's a real community feeling and a lot of support from the tutors."

# HIGHER LEVEL APPRENTICESHIPS

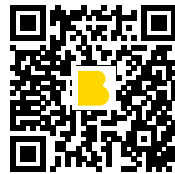

Are you currently employed and looking to progress to a senior level role within your organisation? Or perhaps you have set your sights on a different role within the company you work for but need to acquire the skills before you can move?

**A Higher Level Apprenticeship combines on-the-job training with studying for a Level 4 or 5 qualification, nurturing your talent and enabling you to acquire additional skillsets that will make you an asset to the company you work for.**

A Level 4 Apprenticeship is equivalent to the first year of an undergraduate degree, or a Higher National Certificate (HNC), whereas a Level 5 Apprenticeship is equivalent to a foundation degree, or a Higher National Diploma (HND).

Higher Level Apprenticeships are funded by the Government, depending on your age and your company's size.

FIND OUT MORE

# 96.7%

**We are one of England's top five large further education colleges for apprenticeship achievement rates, with a pass rate of 96.7%.\***

\*Qualification Achievement Rates (QARs) data

If you're not an existing employee but would like to apply for a Higher Level Apprenticeship, you will need to apply for vacancies listed on our website. Entry requirements differ from employer to employer.

Most employers will require you to have a Level 3 qualification related to the apprenticeship you are applying for, as well as GCSEs in English and Maths.

You will spend the majority of your time on the job, completing additional training, and the rest of your time completing theory-based learning at the College through online learning, day or block release.

## LET'S TALK

Your employer can apply for a Higher Level Apprenticeship for you or ask your employer to contact our **Business Development Team** on **01274 728316**.

## Kelly's thanks

"To be selected as the top apprenticeship provider in the region for the second year running is a fantastic achievement for the team and Bradford College."

**Kelly McAllister** Head of Apprenticeships

## **i** Did you know?

We are West Yorkshire Apprenticeship Training Provider of the Year for 2022 and 2023.

*Kelly McAllister*

# OPHTHALMIC DISPENSING

We've been teaching Ophthalmic Dispensing at Bradford College for over 70 years.

Our tutors are qualified dispensing opticians and Association of British Dispensing Opticians (ABDO) external examiners, meaning your training is delivered by experts in the field.

Whether you're new to the field of Ophthalmic Dispensing, or are already working at an optical practice, our undergraduate degree and Level 6 blended diploma will qualify you as a dispensing optician with plenty of room to progress in your career.

## *Did you know?*

Bradford College ranks as **one of the UK's top three higher-education institutions** for its Ophthalmic Dispensing programme\*.

\*National Student Survey 2023

FIND OUT MORE

Learning will take place in our industry standard laboratories and clinical suites at our brand-new Garden Mills campus. With new equipment such as the Intuitive Colorimeter Wave machines, this new optical diagnosis technology allows learners to practice clinical diagnosis decision making.

Jeanna Hilton

## Jeanna's story

"During the course of the programme I moved practices and became a practice manager at Boots Opticians in Rochdale. After graduating, I have become an Assistant Twin Town Manager in the Bury branch.

The degree certainly helped me get there. It's given me the knowledge of the career I wanted and more of an understanding of the world of optics."

Diploma in Ophthalmic Dispensing

Once qualified you can apply to for a Fellowship of the Association of British Dispensing Opticians and become a General Optical Council Registered Dispensing Optician. A number of past students have gone on to score the highest national results in their ABDO final qualifying exams.

You can also gain additional certifications from us by taking our **Low Vision Honours** or **Contact Lens Certificate**.

# 100%

**Our Ophthalmic Dispensing students are 100% satisfied with our courses.\***

\*National Student Survey 2023.

## CAREERS

Many of our previous students have become: **Practice owners / Practice managers / Account managers / Specialists in Contact Lens fitting and Low Vision.**

## Did you know?

Our Ophthalmic Dispensing courses are approved by the General Optical Council.

Regulated by the General Optical Council

## Clare's story

"My experience at Bradford College was exceptional. I think the teaching staff at Bradford College are excellent; the level of knowledge that I've gained in three years is genuinely the highest standard of education.

Since graduation I am now employed as a Dispensing Optician at Stotts Opticians in Burnley."

FdSc Ophthalmic Dispensing\*

\*This course has now been replaced with BSc (Hons) Ophthalmic Dispensing

Counselling and Psychology / Social and Community Work / Social Work

# SOCIAL CARE AND COMMUNITY PRACTICE

FIND OUT MORE

Ready to turn your passion for helping others into a life-changing career? Do you have a genuine passion for uplifting and empowering others, whether children or adults?

If so, our selection of degrees in Social Care and Community Practice are the starting point for your ideal career.

Whether your drive lies in uplifting underprivileged communities, counselling those in need, or empowering today's youth, we've got you covered.

Our courses blend theory with hands-on experience in fields like adult care, counselling, youth work, and beyond.

### *Did you know?*

Our Social Work degree is approved by the national regulating body Social Work England.

At Bradford College, you'll be part of a supportive, vibrant community dedicated to nurturing the next generation of compassionate professionals.

Our faculty's wealth of real-world experience means you'll receive personalised guidance every step of the way, preparing you to confidently tackle complex situations and make a profound impact.

Adeline Fogui Tchana

## Adeline's story

"Now that I have finished my studies, I work for Kirklees Council as a professional social worker. I am registered with Social Work England. Everything happened so quickly. Here in Bradford, my life has changed. Now I am supporting vulnerable people in the community and I'm happy to do it for the rest of my days and see how I can support people in my home country of Cameroon and across the world."

BA (Hons) Social Work

## JOBS IN DEMAND

\*Graduates could go into careers such as:

**Counsellor** (£28k-£50k)

**Family support worker** (£19k-£35k)

**Psychotherapist** (£35k-£50k)

**Social worker** (£27k-£50k)

\*National Careers Service

### *Did you know?*

Modules to study the Counselling & Psychology degree have been quality checked by the National Counselling Society (NCS).

## Frazer's story

"The special thing about this course is that it's transformative. It's not just about learning something and getting a certificate at the end of it. This degree transforms you as a human being, because you must look into yourself in order to be a counsellor and understand psychology. I've been working while doing my degree for Bradford Hate Crime Alliance and the real element of what I was learning helped inform the job I was doing. A lot of my work at that time was victim support and everything I learned fed into the work I was doing and vice versa."

Art, Media and Design / Allied Health Professions / Health and Social Care / Nursing and Midwifery / Sciences / Social Sciences

# ACCESS TO HIGHER EDUCATION

FIND OUT MORE

If you need a bridge between your current qualifications and a university level degree, our Access to HE courses provide exactly that.

**There is no upper age limit to study an Access to HE course, as long as you have your GCSEs in Maths and English.**

Choose the subject that is most relevant to your desired career pathway. In a year's time you will have earned a Level 3 qualification and be able to progress on to university level study.

Our Access courses are for students who are aged 19+ and are recognised by universities across the UK (if you are 18, you must turn 19 by September 1st of that year).

If you take out an Advance Learner Loan to fund your course tuition fee, and go on to complete an eligible Higher Education course, the loan will be written off.

During your time as an Access student, you'll have the opportunity to participate in course-related field trips and attend lectures from professionals in your chosen career sector, providing you with the perfect foundation for further university-level studies.

With small class sizes, and all the individual support you need to get back into education, you'll build the skills, knowledge and confidence you need to succeed and reach your goal.

### Did you know?

We will also introduce you to the UCAS system and provide tutorial sessions for university applications.

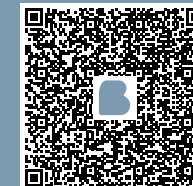

Chloe Lappin

## Chloe's story

"I really enjoyed studying Sociology and Psychology [as part of the course], it's not something I've ever done before. It gave me a lot more confidence."

Access to Higher Education in Health and Social Care.

To hear more about Chloe's time on the course, scan the QR code where she talks about the teaching and her next steps!

# Fees and Funding

We are committed to delivering quality Higher Education for everyone.. We work hard to cut the costs but not the corners on our undergraduate, postgraduate, and professional courses.

As the Government provides tuition fee loans, you will not be asked to pay fees up front. Also, you won't pay back your loan until you've left college, got a job, and earning a wage. **Scan the QR codes to find out more.**

## APPLYING FOR GOVERNMENT LOANS

Apply for your tuition fee loan and maintenance loan via Student Finance England. Please ensure you have made your application and secured funding for your course prior to registration.

Scan the QR code and download the application form from Student Finance England.

## POSTGRADUATE LOANS

Student Finance England is now offering postgraduate funding support of up to **£12,167** for Master of Education courses.

## SUPPORT FOR TEACHER TRAINING

There are a number of Government bursaries available for certain teacher training courses. You can find out more by visiting the Department of Education's website.

## MONEY TO HELP YOU STUDY

If you're coming to study with us, you may have additional costs to pay for, but don't worry, you can apply for help. There are funding options available for:

- Full-time and part-time Undergraduate students
- PGCE students
- Full and part-time Postgraduate students
- Students with disabilities/learning difficulties

## ADVANCED LEARNER LOAN

For Access to HE (Level 3) courses only.

The Advanced Learner Loan is a government-funded loan that is easy to apply for, doesn't take your household income into account, and doesn't involve a credit check.

**To qualify for the Advanced Learner Loan you must be:**

- Studying at an approved college or training provider. Bradford College is an approved centre
- 19 years of age or older on the first day of your course
- Studying a full- or part-time Further Education qualification at Level 3 or above
- A UK resident or a UK national, or have 'settled status' (this means there are no restrictions on how long you can stay)
- A resident in the UK for three years or more

**You will need to pay your loan back when:**

- You have finished your course
- You earn more than £25,000

Student Finance England will 'write off' any outstanding Advanced Learner Loan balances you owe for an Access to HE course once you complete a higher education course. This means you do not have to repay it.

## APPLICANTS ELIGIBLE FOR FREE SCHOOL MEALS

UCAS is removing the application fee for students in receipt of free school meals to make higher education more accessible for young people in financial hardship. For those applying for 2025 entry and beyond, teachers and advisers will verify eligible students through the adviser portal, and these students will not be required to pay the fee on completion of their UCAS application.

## DISABLED STUDENTS' ALLOWANCE

You may claim Disabled Students' Allowance (DSA) in addition to your student finance loans and grants to cover any extra study-related costs you incur due to an impairment, mental health condition, or learning difficulty. It's neither a benefit nor a loan, so it doesn't need repaying.

The amount you receive depends on your individual needs, not on your income. The DSA is available to both full-time and part-time students studying on a Higher Education course.

If you need help in applying for DSA, contact the College's Disability Services team on [learningsupport@bradfordcollege.ac.uk](mailto:learningsupport@bradfordcollege.ac.uk)

### USEFUL CONTACTS

Higher Education Student Finance

# How to apply

For some courses, you may require additional qualifications, evidence of related work experience, a portfolio of evidence, a health check, or Disclosure Barring Service (DBS) clearance.

## YOUR AGREEMENT WITH US

When you apply as a student at Bradford College, your study and time with us will be governed by a framework of regulations, policies and procedures, which form the basis of your agreement with us.

Scan the QR code for details on our policies, procedures and information regarding tuition fees and any additional charges.

You should read these carefully before you apply. Please note that this information is subject to change, and you are advised to check our website regularly for any changes before you apply.

## FULL-TIME COURSES

Applications for full-time undergraduate, HNC, HND, Foundation degree and degree courses at Bradford College should be made through the Universities and Colleges Admissions Service (UCAS) website by searching our **UCAS code B60**.

Individual applications should be made online via [ucas.com](https://ucas.com). For further information please search the UCAS website or scan the QR code above.

## APPLY DIRECT

You don't need to apply through UCAS if Bradford College is your only choice and you are applying for only 1 course.

Simply fill in our application form by scanning the QR code below.

## PART-TIME COURSES

You should also apply direct if you want to study a part-time course.

## CERTIFICATE & POSTGRADUATE DIPLOMA IN EDUCATION COURSES

Applications should be made online via [gov.uk/find-postgraduate-teacher-training-courses](https://gov.uk/find-postgraduate-teacher-training-courses) and searching 'Bradford College'.

If you require any advice or have any queries about entry requirements or courses, please contact our **Admissions Team**.

## ADMISSIONS TEAM

Our experienced Admissions team can help with your application journey. They will help you make an application, guide you if you get stuck and will arrange interviews and Meet the Tutor sessions. Once you have an offer they will be there to support you going forward, through to enrolment.
